

Rock N' Water 2022

When? Camp Dates: **July 10th-15th, 2022**

Where? The Rock N' Water camp is located in Lotus, California which is about an hour east of Sacramento. The camp is on a river front property on the south fork of the American River.

What? Rock N' Water is an outdoors Christian camp where students will engage in activities including whitewater rafting, rock climbing, canyoneering and many more fun activities. We will do these activities as a group and focus on one main activity per day. Students will have the chance to experience God's beauty by being in His creation constantly throughout the trip. There will be a chance every day to spend time alone with God, as well as with others during the campfire at night. Students will also be spending the night(s) under the stars as everyone will bring their own sleeping bag and get to admire God's beauty. It is a rustic adventure camp where the focus is "Realizing God through adventure in His creation."

Who? This is for current highschoolers as well as incoming freshmen.

How Much? Total cost for each camper is \$700, which covers the cost the camp charges, the transportation to get to camp, and the volunteer leaders. Please contact Amanda or Ben if you need more specifics. *If money is an issue, please let us know because we don't want finances to prevent someone from experiencing this awesome week.*

Notes: **All deposits and payments are non-refundable** unless we can fill that spot with another student. Thanks for understanding. We understand it's sad that we cannot go on Houseboats this year, but we have researched several camps and Rock N' Water seems amazing. We could not be more excited for this trip. It truly is a blessing we are able to go to this camp. Thanks for understanding.

Additional camp registration and health/medication information will need to be submitted online closer to departure. More info to follow. We are happy to answer any questions you have about Rock N' Water or anything else. Please ask!
