# WHO WE ARE

## OUR PEOPLE

We are a multi-generational congregation of Christ followers with the distribution of our membership leaning toward an older generation. Our members range from long term to new. New members come from those who have recently retired, students who have grown up in the area, families who are part of the military presence on the Peninsula, and those who seek a Bible-preaching evangelical church community. One word that is often used to describe Carmel Presbyterian Church is "welcoming".

We are blessed with many mature Christians who desire to worship God, come together in fellowship and serve the church and community. They are confident in knowing that their Carmel Pres family will be there for them through the years ahead. But we want to grow young and we are looking for a senior pastor who can help us do it.

Families love to raise their children here. They are happy to find a church home where their children come to know and love Jesus, they can connect with other parents who are struggling with raising Christian children in a very secular world and all find meaning and purpose in life.

## OUR LEGACY

Carmel Presbyterian Church was established in 1954 and joined ECO in 2014. We have a rich legacy of welcoming fellowship, strong support of missions and a vibrant children and student ministry. When we joined ECO, our church fully embraced the traditions of Reformed, Evangelical and Egalitarian.

## OUR HOPE

We desire to be seen as a shining beacon of light on the hill, reflecting the love of Jesus throughout the larger community, welcoming all into worship and fellowship, and sending out our congregation to join Jesus on His mission to reach a lost and broken world.

## LED BY THE HOLY SPIRIT

We believe in the power of God's Holy Spirit. We seek to be empowered by Him in our daily lives. In all our worship times and in all our meetings, we are dependent upon the Holy Spirit to lead, guide and bless our ministry and mission.

Our prayer ministry, led by our deacons, is a foundational cornerstone of Carmel Pres. Everything we do, including our search for a senior pastor, is bathed in prayer.

## EQUIPPING THE SAINTS FOR MINISTRY

We embrace ECO's values of a "Livable Theology" to renew our minds in order to embody our faith in Jesus Christ every day. We offer many opportunities to study God's Word, with a well attended Saturday Men's Group, two Women's Bible studies, two adult Sunday school classes and a number of small groups that meet regularly. Ephesians 4 is a model for how we think about equipping the saints for ministry. We are looking for a senior pastor who shares this philosophy and approach.

## MISSION AND VISION

To glorify God and share His love as we **C**onnect **P**eople to **C**hrist.

## CPC MINISTRIES

We offer two styles of worship. Our music ministry includes a traditional choir at the first service and a worship team at the second service. CPC has a partnership with the Carmel Bach festival where we make our facility available for some of the events.

CPC has active ministries for Children, Middle School, High School, Men's and Women's ministries and older adults. Many have found these ministries as gateways to becoming a part of CPC.

One of the highlights of our children's ministry is Vacation Bible school. The High School ministry over the years has attracted youth from all over the Monterey Peninsula for river rafting, winter events at Hume Lake, and mission trips to Mexico. The Men's Ministry activities include retreats, BBQ for 5th Sunday Fellowship gatherings after worship and Saturday morning Men's Bible study and fellowship. The Women's Ministry is known throughout the community for their Women in the Word program. This has brought many women into fellowship and to CPC. Small groups gather for Bible study and service, and some have met for many years.

Other ministries important to the life of the church include Alpha and Financial Peace University. Alpha has been key to providing opportunities for seekers to ask questions in a non-judgmental environment, often leading to deeper conversations. We have partnership with Celebrate Recovery and Al-Anon serving our older members, Friendship Circle provides a place for fun, fellowship and good food. On occasion we travel to Mount Hermon Conference Center for musical events.

On Sunday mornings adults have the opportunity to participate in the Discovery Group and The Gathering, places and time for fellowship and studying God's Word together.

# CPC MINISTRIES MISSION SUPPORT

Carmel Presbyterian Church has a rich history of supporting local, national and global missions. We currently support 32 full-time missionaries serving on the Monterey Peninsula, California, across the US and internationally in Asia, Africa, North & South America, Europe and the Middle East. The missionaries we support fall into one or more of the following areas:

- 1. Church Planting** - CPC places emphasis on supporting missionaries and mission agencies focused on building God's kingdom via indigenous/local preachers who are devoted to church planting.
- 2. Discipleship and Training** - In support of our goal of planting churches, we believe we must be at the forefront of supporting leaders who are capable of discipling and training future leaders in the way of Jesus.
- 3. Serving Others** - We are blessed to support missionaries who serve others with their work in healthcare, education, inner-city outreach, rescue and relief, orphanages, and through the translation of the Word of God.

Carmel Presbyterian Church commits 16.5% of its annual operating budget to supporting our mission partners.

### PRESENT

We have tried to face the difficult issues in our recent past by reaching out to our denomination to seek assistance. We engaged a consultant from ECO who developed a plan to address how our leadership can work together as a team. We also worked with our consultant to develop an action plan to realign our ministry responsibilities. This plan is now in place and we look forward to calling a senior pastor who will work with us to complete the work ahead.

# WHERE WE ARE CHURCH SURVEY

Carmel Presbyterian Church recently conducted a Church Health Survey to assess how well we are doing as a church as well as where we need to improve as a congregation.

**The following are areas of our church ministry where survey respondents rated CPC most highly.** We are looking for a senior pastor who can help us leverage these strengths.

## WORSHIP

Our congregants are inspired by our worship services and believe our sermons are Biblical and helpful in everyday life as well as draw people to our church.

## LEARNING

CPC's learning environment has made a significant difference in people's lives. Their knowledge of the Bible is growing and they appreciate that our church is biblically based.

## FINANCES

CPC's finances are well managed. Our church's leaders provide meaningful information to the supporters of our church. A large percentage of our covenant partners support the church financially.

## BUILDING

People assessed our church facilities as welcoming, appealing and visible to the community we serve because of the quality of its construction and location in the village of Carmel.

**The following are areas of our church ministry where we need to improve.** We are looking for a senior pastor to help us address these growth opportunities.

## LEADERSHIP

Respondents to the survey felt the following aspects of leadership need improvement : communication, conflict resolution, dealing with change and building more trust.

## VISION

Survey participants said our vision lacks clarity. We need to do a better job of explaining the goals we are trying to reach and connecting people to our vision.

## CONNECTION

Our members believe we need to put more emphasis on spiritual formation and a higher priority should be placed on congregational care.

# THE COMMUNITY WE SERVE

Carmel, the Monterey Peninsula and the surrounding area is a spectacularly beautiful area, from the churning Pacific Ocean's rocky coastline to the dramatic mountains of the Ventana Wilderness, and from Carmel's famous beach and the Monterey Bay Sanctuary to the fertile fields of the Salinas Valley (known as the Salad Bowl of the world).

In addition to the physical beauty of the area, Carmel and the Monterey Peninsula offer a vast array of cultural events, colleges and universities, and fine dining. The city of Carmel-by-the-Sea is a picturesque one-square mile village and is an artist's paradise with many art and photography galleries. Carmel Presbyterian Church is located in the village just blocks from Carmel beach.

Carmel's Sunset Center offers a vast selection of more than fifty classical music events each year, including the Monterey Symphony, the Bach Festival, Carmel Music Society, and Chamber Music Monterey. The Forest Theatre in Carmel, built in 1910, is the oldest outdoor theatre in the US.

# THE COMMUNITY WE SERVE

Within a 20 minute drive of Carmel there are several two-year colleges, two universities and two graduate schools – the Naval Post Graduate School and The Middlebury Institute of International Studies at Monterey.

The Monterey Bay National Marine Sanctuary is one of our nation's most spectacular marine protected areas offering some of the best wildlife viewing in the world. This "Serengeti of the Sea" stretches along the central coast from San Francisco south to Cambria. The Monterey Bay Aquarium with over 200 exhibits and 80,000 plants and animals is a window to the wonders of the ocean.

Located just south of Carmel, Big Sur is a rugged and mountainous section of the Central Coast, where the Santa Lucia Mountains rise abruptly from the Pacific Ocean. Big Sur has been called the "longest and most scenic stretch of undeveloped coastline in the contiguous United States", and "one of the most beautiful coastlines anywhere in the world, an isolated stretch of road, mythic in reputation". (*UCLA Journal of Environmental Policy*, Aug 2016 and *Washington Times*, July 2006)
