

## Campus by the Sea 2023

When? Camp Dates: **Thursday June 29th- Monday July 3rd, 2023**

Where? The Campus by the Sea camp is located on Catalina Island, CA which is about 22 miles off the coast of Southern California. The camp is an ocean front property on Gallagher Beach, only accessible by boat.

What? Campus by the Sea is an outdoor Christian camp where students will engage in activities including hiking, kayaking, stand up paddle boarding, tubing and many more fun activities. We will have a set schedule for activities, chapel, meals, and our own church time. Students will have the chance to enjoy the ocean as their playground and take some time on the island to grow closer to God.

Who? This is for current highschoolers as well as incoming freshmen.

How Much? Total cost for each camper is \$700, which covers the cost the camp charges, the transportation to get to camp, the volunteer leaders, and all activities. Please contact Bibiana if you need more specifics. *If money is an issue, please let us know because we don't want finances to prevent someone from experiencing this awesome week.*
