Dear Carmel Presbyterian Church,

Thank you for supporting CPY for years on a monthly basis. CPY Appreciates you for providing us gifts for CPY every Christmas. I am grateful you all have helped us stay open during the pandemic. I am happy that you have donated to CPY.

The reason why I come to CPY is to learn about life skills. I come to have fun and distract myself. In CPY we get to do many art activities. One of the art activities we did was paper mosaic.

What I have learned in CPY is how to be kind. In CPY I learned my standards and the meaning of them. During CPY I have learned about different art techniques. CPY has helped me improve my writing skills.

Sincerely,
